

## If you build a portal solution, will users come?

You need a company-wide portal, and you've decided to make SharePoint a part of your organization. Now comes the hard part... gaining buy-in and adoption from the users.

Join Invision and Microsoft for a complimentary breakfast seminar on June 15, 2007, where guest speaker Susan Hanley will share **winning strategies** for successful company-wide adoption of a SharePoint portal.

**Susan Hanley** is a recognized expert in the design, development and implementation of successful portal solutions, with a specialization in Microsoft SharePoint. Ms. Hanley is co-author of the book *Essential SharePoint 2007: Delivering High Impact Collaboration*.

Also speaking will be **Jane Koh**, an Information Worker Solution Specialist with Microsoft. Jane will discuss the powerful new features of Microsoft Office SharePoint Server (MOSS) 2007.
